## About Us

The Holiday Magic, a Gift for Children of All Ages CD is a timely gift for children spending their holidays in the hospital and for their siblings who often feel lonely and neglected due to the attention given to the recovering child by the parents.

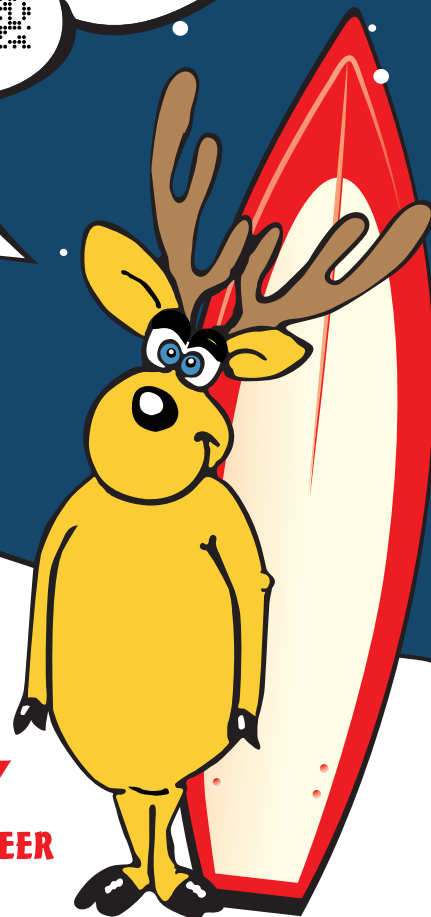

We grow exponentially each year. Over 126,000 CDs have been distributed worldwide. Our outreach includes over 71 hospitals and support organizations around the globe, including Canada, Europe and Asia and we welcome new hospitals every year. This year our goal is to deliver more than 10,000 CDs to kids of all ages around the world.

## Our Mission

To brighten the lives of children of all ages through the gift of songs and stories; and provide talent the opportunity to be heard and contribute worldwide.
